New Internal Medicine Office at Florida Medical Clinic

Florida Medical Clinic proudly welcomes the New Tampa Internal Medicine office of Belen Herrero, M.D. and Mayra Rivera, M.D. to our practice. Their office is located at 15303 Amberly Dr. Suite A in the heart of New Tampa.

The Department of Internal Medicine combines characteristics of a diagnostician and consultant in disease prevention and health promotion. Services performed by the department include; general and medical care for adult and geriatric patients, physical exams, diabetic management, cholesterol and blood pressure management, office dermatology and cryotherapy, minor surgical procedures, phlebotomy and osteoporosis.

By virtue of training in medical specialties, internal medicine physicians are experts at caring for patients with multi-system disease. Florida Medical Clinic has several internal medicine physicians, two of which work at the Amberly Drive office. Dr. Belen Herrero is a board certified doctor of Internal Medicine. A local college graduate of the University of South Florida, Dr. Herrero has practiced medicine in North Tampa since 2001. Dr. Mayra Rivera, also board certified in Internal Medicine comes to us from Michigan State University. Dr. Rivera was born and raised in San Juan, Puerto Rico and has been practicing medicine since 2001. Both women are fluent in Spanish. Mrs. Owens, a registered nurse practitioner, graduated from the University of Tampa and has a special interest in Women's Health and Preventative Medicine.

Florida Medical Clinic

The Internal Medicine office of Dr. Rivera and Dr. Herrero is now accepting new patients. For more information on Internal Medicine, please contact the Internal Medicine Department at Amberly Drive at 813.972.7900 or call the Florida Medical Clinic patient helpline at 813.780.8440.
