**Consent for Purposes of Treatment, Financial Responsibility and Health Care
Operations**

I consent to the use or disclosure of my protected health information by Florida Medical Clinic, P.A. for the purpose of diagnosing or providing treatment to me, obtaining payment for my health care bills or to the conduct health care operations of Florida Medical Clinic, P.A. I understand that diagnosis or treatment of me by Florida Medical Clinic, P.A. may be conditioned upon my consent as evidenced by my signature on this document.

My "protected health information" means health information, including my demographic information, collected from me and created or received by my physician, another health care provider, a health plan, my employer or a health care clearinghouse. This protected health information relates to my past, present or future physical or mental health or condition and identifies me, or there is a reasonable basis to believe the information may identify me.

I understand I have a right to review the Florida Medical Clinic, P.A. Notice of Privacy Practices prior to signing this document. The Florida Medical Clinic, P.A. Notice of Privacy Practices has been provided to me. The Notice of Privacy Practices describes the types of uses and disclosures of my protected health information that will occur in my treatment, payment of my bills or in the performance of health care operations of Florida Medical Clinic, P.A. The Notice of Privacy Practices for Florida Medical Clinic, P.A. is also provided at 38135 Market Square, Zephyrhills, FL 33542. This Notice of Privacy Practices also describes my rights and the duties of Florida Medical Clinic, P.A. with respect to my protected health information. Florida Medical Clinic, P.A. reserves the right to change the privacy practices that are described in the Notice of Privacy Practices.

Lifetime Authorization: By signing below I authorize any holder of medical or other information about me to release to the Social Security Administration and Health Care Financing Administration or its intermediaries or carriers, or to the billing agent or this physician or supplier, any information needed for this or a related Medicare claim. I permit a copy of this authorization to be used in place of the original, and request payment of medical insurance benefits to myself or to the party who accepts assignment. The original authorization will be kept on file by Florida Medical Clinic, P.A.

I may obtain a revised Notice of Privacy Practices by requesting in writing from Florida Medical Clinic, P.A. or asking for one at the time of my next appointment.

Financial Responsibility

This is an agreement between Florida Medical Clinic, P.A., a Florida Corporation, as a creditor, and the Patient/Debtor named on this form.

In this agreement the words "I", "you," "your," and "yours" mean the Patient/Debtor. The word "account" means any account that has been established in your name to which charges are made and payments credited. The words "we," "us," and "our" refer to Florida Medical Clinic, P.A. (FMC) and/or its affiliated entities.

Insurance: Insurance is a contract between you and your insurance company. In some cases exact insurance benefits cannot be determined until the insurance company receives the claim. Although we may **estimate** what your insurance company may pay, it is the insurance company that makes the final determination of your eligibility and benefits. Please understand that insurance reimbursement can be delayed for multiple reasons. In fact, insurers will routinely stall, deny, and reduce payment. Insurers routinely process claims resulting in additional invoicing at no fault of FMC. We will NOT under any circumstance falsify or change a diagnosis or symptom in order to convince an insurer to 'pay' for care that is not covered, nor do we delete or change the content in the record that may prevent, or cause, it to be considered covered.

_____ Initials HMO Plans: Any co-payments required by an insurance company must be paid at the time of service. Should FMC render services and I am unable to pay my co-payment at the time of service, I understand that I may be billed an administrative fee.

_____ Initials PPO Plans: FMC has agreed to accept the discounted rate from your plan, and we will **estimate** balances to the best of ability. However, since these are **estimates** only, I understand that any remaining balances due to deductibles, co-insurance, and non-covered claims are my responsibility to pay FMC. Your appointment may be rescheduled if your estimated amount due is not paid at check in.

_____ Initials Missed Appointment Fee: I understand that *Appointment Reminders are a courtesy*. Failure to show up for, or cancellation of an appointment with less than 24 hour notice (48 hour notice for FMC Ambulatory Surgery Center procedures), may result in a no show fee assessed to my account. The no show fee varies by FMC practice location and is subject to change. This fee must be paid before a new appointment is scheduled. Patients with three missed appointments may be discharged from the FMC practice location.

_____ Initials After Hours Services: Please be advised additional fees may be subject for services rendered after hours, which includes evenings (after 5pm), weekends, and holidays.

_____ Initials Administrative Charges: I understand that additional administrative charges may apply for items such as the completion of medical forms, telephone consultations, and physician letters.
(This is not an exhaustive list)

Guarantee of Payment:

For value received, including but not limited to the services rendered, I agree to guarantee and promise to pay FMC all charges and expenses incurred in my treatment, including those expenses not covered by any insurance policy presently in force, including any co-payment and/or deductible. Unless specifically agreed in writing, all charges shall be paid at discharge or upon presentation of the first bill by FMC. Unpaid accounts shall bear interest at the maximum rate provided by Florida law. I understand and agree that if FMC is required to bring a claim or file an action to enforce this agreement, FMC shall be entitled to recover from me its reasonable attorney's fees, expert fees, court costs, and any other costs of collection, in addition to the amount owed FMC for its services. Based on permissible purpose under the Fair Credit Reporting Act, FMC reserves the right to run a credit report for the sole purpose of determining my ability to meet incurred expenses directly related to my treatment.

Payments received will be posted to the oldest outstanding balance on your account.

Returned Checks: A Returned check will result in a service fee based on the face value of the check and may require all future payments to be made by cash or credit card. A collection agency may be used in the recovery of debt attributed to returned checks, in addition to the payment of the check plus any court cost, reasonable attorney fees and any bank fees incurred by the payee in taking action as pursuant to *Florida Statute 68.065*.

Divorce, Dependent and Child Custody Cases: Regarding divorce, the presenting guardian accompanying the person (minor or disabled adult) who receives care at FMC is responsible for payment of copays, co-insurance and/or deductibles at the time of service.

Assignment of Benefits:

I hereby assign, grant and transfer to FMC, now and in the future, all of my rights and interest in the following: (a) Any and all benefits now or in the future owed or receivable by me or on my behalf from any insurer, health maintenance organization, PPO, employer health benefit plan or other third-party payer for those costs I incur in receiving services from FMC. The included insurance policies and insurer would include, but are not limited to, health, auto, UM and PIP; and (b) Any and all monies or other benefits paid or payable to me and/or my attorneys from any settlement, judgment or verdict which is obtained as a result of the injury or medical condition for which my debt to FMC was or is to be incurred. I further authorize, request and direct any and all assigned insurers to pay directly to FMC the amount due me in any potential or pending claim for medical benefits under the respective policies, expressly including all PIP policies. I agree that should the amount received by FMC be insufficient to cover the entire expense of service, including the co-payment and the deductible, I will be personally responsible for payment of the difference. I also understand and agree that if the nature of the services rendered by FMC are not covered by said insurance policy, I am responsible to FMC for payment of the entire bill.

Readiness for Change Self Assessment

Many people think that a magic pill or a super-specialized doctor or therapist can remove all of their life's problems. This is certainly not true. Medicines are powerful substances that, when used properly, can be very helpful in overcoming problems. The provider, on the other hand, is an expert guide and an experienced coach. However, **it is the patients themselves ultimately who have the power within to heal themselves.**

A provider or a medicine CAN help the patient access and activate these natural abilities that each of person is born with. To access and activate this ability of the human body, the patients must push themselves into new frontiers of thinking, behavior and human interaction. These changes create new outcomes in their lives. When positive changes are sustained and perfected, healing and wellness happen naturally.

Complete the following self-questionnaire to assess your own readiness for making lasting positive changes.

None = 0 Trace = 1 Small = 2 Moderate = 3 Abundant = 4

Sense of necessity				
How strongly do you desire change aimed at improving your situation?				
0	1	2	3	4
Ready for anxiety				
How determined are you to work through your inner fears?				
0	1	2	3	4

Confronting the problem				
How much courage do you have for focusing on your problems and facing them?				
0	1	2	3	4
Effort				
How committed are you to being enthusiastic and persistent at making changes?

0	1	2	3	4
Social support				
How open are you to seeking support from a network of friends and adapting to changes in relationships?				
0	1	2	3	4

Now, add up all the numbers that you circled above to come up with a total score. _____
See the scoring guide below to determine your 'Readiness for Change.'

0 - 6

Change is unlikely unless the patient can shift where they are.

15 - 21

Change is steady and noticeable. Patient keeps eye on lowest scoring areas and constantly works to improve these.

7 - 14

Change will be limited and slow. Patient must work to change the areas with lowest scores.

22 - 28

Highly motivated. Change occurs easily.

**Florida Medical Clinic, PA
Controlled Substance Agreement**

Between Patient: _____ **and Doctor:** Maulik K. Trivedi, MD

The Florida Legislature has laws governing the prescription of controlled drugs. These drugs include all narcotics (such as codeine, hydrocodone and oxycodone), sleeping aids, benzodiazepines (such as valium, Xanax and Ativan), and ADHD medications such as concerta, metadate, Ritalin, and vyvanse). To comply with these laws, I acknowledge and agree to the following:

1. Prescriptions for most controlled substance medications can only be written for a 30 day supply.
2. I agree that only my physician will prescribe controlled substance medication. I will not obtain or use any controlled substances from a source other than my physician. I will instruct my other physicians to confer with my physician for any changes or need for additional controlled substance medication. If it is discovered that other providers are prescribing medications for me, my physician reserves the right to discontinue prescribing medications and/or discharge me from the clinic.
3. Refills must be written (i.e., they cannot be faxed or phoned in). I will need to come in and pick up the prescription. All medicine should be filled at the same pharmacy, when possible. The pharmacy I have selected is: (name/phone) _____
4. My physician's office requires a 72 hour notice to refill prescriptions. Prescriptions can only be refilled during normal business hours. They will NOT be refilled at night or on weekends. I must provide proof of identity to pick up my prescription for controlled substances.
5. I must be seen by my doctor every 3 months to continue to get refills.
6. My physician's office is not responsible for any controlled substance medications that have been misplaced, lost or stolen. Controlled substances cannot be refilled before the renewal date.
7. Routine blood work and random urine drug screens may be part of my treatment plan. I agree to have them done on the day my physician requests it.
8. If I do not follow these policies, my physician will not be able to continue to prescribe these medications for me.
9. It is a crime to obtain narcotics under false pretenses. This could include getting medications from more than one doctor, misrepresenting myself to obtain medications, using them in a manner other than prescribed or diverting the medications in any other way (selling). If my physician has reason to believe that I have violated this agreement, the physician has the right to notify and cooperate with law enforcement. If the responsible legal authorities have questions concerning my treatment, as might occur, for example, if I were obtaining medications at several pharmacies, all confidentiality is waived, and these authorities may be given full access to my records.
10. My physician has the right to discontinue controlled substance medications and discharge me from care if any of the following occur.
 - I trade, sell, misuse or share medication with others;
 - The clinic discovers I have broken any part of this agreement;
 - I do not go for blood work or urine tests when asked;
 - My blood or urine shows the presence of medications that my physician is not aware of, the presence of illegal drugs or does not show medications that I am receiving a prescription for;
 - I get controlled substances from sources other than Florida Medical Clinic physicians;
 - I exhibit any aggressive behavior toward the physicians or staff;
 - I consistently miss appointments.

I hold Florida Medical Clinic physicians harmless from any liability in the event I am dismissed from the practice for failure to abide by this agreement. I have read and understand the above policy.

Medicare Disclosure Requirements for In-Office Imaging Services

The Patient Protection and Affordable Care Act (ACA) created a new disclosure requirement for the in-office ancillary services exception to the Stark Self-Referral Law. Specifically, the ACA states that in respect to referrals for certain imaging services, payable by Medicare, the referring physician must inform a patient in writing at the time of the referral that the patient may obtain the service from a person other than the referring physician or someone in the referring physicians group practice and provide the patient with a list of suppliers who furnish the service within a twenty-five mile radius of the referring physician's office.

Providing this list of suppliers is required by law and is not intended as an endorsement or recommendation of these suppliers.

The lists of alternative suppliers are:

Policy Update: Summer 2013

Please read everything carefully before signing. This applies to all provider appointments at the MindBody Integrated offices at Florida Medical clinic.

NO SHOW POLICY: All cancellations of scheduled appointments require a 24 hours advanced notice and must be completed during business hours. Any patient who fails to show up for their scheduled appointment or cancels their appointment without a 24 hour notice will be considered No-Shows and assessed a \$50.00 no-show fee.

Additionally, any patient who has two such no-shows will be considered to have dropped out of treatment and discharged from the practice. They will need to seek further treatment with a new provider on their insurance plan.

Please note that the automated reminder call is only a courtesy service we provide and is NOT to be relied upon as a reminder for your appointment. It is the patient's responsibility to remember their appointment.

FORMS POLICY: All forms that need to be completed by a provider require prepaid fee of \$ 50.00 (for up to 2 pages) and \$ 125.00 (for 3 or more pages). The forms will be completed within 5 to 7 days. The provider reserves the right to refuse to fill out any forms at their discretion.

PRESCRIPTION DENIAL POLICY: When the insurance company denies coverage of a medication prescribed by the doctor, it is the patient's responsibility to obtain names of alternate medications covered by their insurance plan formulary. In case the medication is too costly, it is also the patient's responsibility to find more affordable alternate treatment options covered by their insurance.

URINE ANALYSIS POLICY: Urine Screening and confirmation provides important information about how your medications are metabolized by your body. Urine screening also alerts us to the presence of any medication that is not prescribed or contraindicated. We monitor urine from time to time to assure proper use of prescribed medications on all our patients. We regularly monitor urine analysis on all patients being prescribed controlled medications. Additionally, all patients with any history of substance use will be subject to random urine drug testing as a condition of their treatment. You may be asked to submit a urine sample at any time during your treatment at the physician's discretion. Refusal to provide a sample when requested will result in discharge from the practice.
