PRESCRIPTION RENEWAL POLICY

Prescriptions and refills are issued only during regular office hours. Some renewals can be authorized without the doctor seeing the patient. Other prescriptions will not be renewed without an office visit because of the need to closely monitor the effects.

Our daily hours for prescription renewals are between the hours of 10 a.m. and 3 p.m., so please have your pharmacy call before 3 p.m. If you are unable to call between 10 a.m. and 3 p.m., please feel free to leave a message for the nurses for prescription requests (979-0440 or 780-1555) before 10 a.m. and after 3 p.m. We require at least 24 hours notice in order to fill most prescriptions.

During the evening and on weekends, it is difficult to determine if a prescription or refill is indicated without the patient's medical file. Therefore, prescriptions and refills will not be refilled during the evening or on weekends.

Please remember:

- 1. Prescriptions **will not** be refilled in the evenings (after 3p.m.) or on the weekends.
- 2. Please call at least 24 hours in advance for prescription refills.
- 3. Patients must be seen at least every three months to keep prescriptions current.

Also, please be aware that we will not be responsible for any prescribed narcotics which have been misplaced. Narcotics will not be refilled before your renewal date. Florida Medical Clinic, LLC has the authority to conduct random drug screens on any patient who has been prescribed narcotics.

I have read and I understand the above mentioned policy.
